#### **Operating Instructions:**

Unit is ready to be hung or set on flat surface. It has been tested and the lamp has been installed at the factory there is no assembly necessary. The E104 is a 70W, ultra light weight Strobe Light. Flash rate may be controlled by the variable speed knob located on back of unit. Features include: plastic high tech case design with hanging bracket, and variable speed control (1-15 flashes per second). The E 104 can flash different colored light by replacing the interchangeable lamp cover, E104/D. Available colors: red, blue, green, & yellow.

**Lamp Replacement:** Unscrew front dome of the fixture. Do not touch lamp with bare fingers, oil from fingers will ruin lamp. Use a clean, dry cloth for replacement. Replace bulbs; reassemble.

**1 Year Limited Warranty:** Eliminator Lighting warranty is valid from the date of purchase. Our 1 year limited warranty covers manufacturing defects only. Serial number, place of purchase with dated valid receipt must be submitted at time of service. Eliminator Lighting warranty does not cover items or parts prone to wear and tear: lamps, fuses, brushes

and belts. Eliminator Lighting warranty is only valid with-in the United States.

**Caution!** Never open unit when in use. Always disconnect main power before serving or replacing lamp. Remember to always replace with the exact same type lamp and fuse.

#### **HALOGEN LAMP WARNING!**

This fixture is fitted with halogen lamps which are highly susceptible to damage if improperly handled. Never touch lamp with bare fingers as the oil from your hands will shorten lamp life. Also, never move fixture until lamp has had ample time to cool. Remember, lamps are not covered under warranty conditions.
