CAUTION! Please read and understand these instructions before installing or operating this unit.

Operating Instructions:

The E 107 is a reliable rack mount power center. This unit has 8 lighted switches that control 8 individual sockets on the rear of the unit. When a power switch is glowing the power outlet on the rear of the unit that matches the switch will be active. The unit can handle a maximum of 15 amps. The unit is protected by a 15 amp breaker on the rear of the unit. If the switches do not turn on reset the breaker in the rear.

1 Year Limited Warranty: Eliminator Lighting warranty is valid from the date of purchase. Our 1 year limited warranty covers manufacturing defects only. Serial number, place of purchase with dated valid receipt must be submitted at time of service. Eliminator Lighting warranty does not cover items or parts prone to wear and tear: lamps, fuses, brushes and belts. Eliminator Lighting warranty is only valid with-in the United States.
