

EVENT BAR Q4™

Create pure lighting excitement full of colorful beams of light with the ADJ Event Bar Q4. This fixture is powered by four 10W CREE Quad Color RGBW (4-IN1) LEDs. This 4-head Pin spot system produces small 5-degree beams from exciting built-in programs. User can control each head movement and color independently via a DMX controller (Sold separately). Compatible with ADJ UC3 series of controllers (sold separately).
