

IKON LED™

RF Remote Included

The Ikon LED is a high output single Gobo Projector powered by a bright 60W (7500K) white LED. This fixture used high quality optics for crisp, clear projection. User can adjust the LED brightness and Gobo rotation on the rear of fixture or by the included wireless RF remote control.

The Ikon LED includes 4 metal Gobos. Users may also insert custom Gobos in the fixture. This projector also comes with three interchangeable lenses that produce different beam angles (25, 32 or 43 degrees) making it versatile for a wide variety of applications.

Specifications

- Bright white 60W LED indoor Gobo Projector
- High quality optics - Clear powerful output
- Adjustable dimmer and rotate knob on rear panel
- Includes 4 replaceable metal Gobo patterns
- Gobo size: 54mm; Viewable size: 33mm
