

MICRO IMAGE RGB™

Fan Cooled

RF Wireless Remote Control (included)

Bring Pure Lighting Excitement to any party with the ADJ Micro Image RGB. This laser produces 25 exciting red, green and blue geometric laser patterns from its 15 built-in programs. Like the other ADJ Micro Lasers, the Micro Image RGB has a compact case with a scissor yoke and includes a RF wireless remote control.

The Micro Image RGB is easy to use. Just plug it in and let it run through the laser's built-in programs in Auto or Sound Active mode. Change programs, colors and black out with the included RF wireless remote control. This Micro laser is ideal for mobile entertainers, bands, nightclubs and bars or any party goes.

This laser is safe and complies with FDA Standards.

Specifications:

- Unique mini laser that projects red, green and blue geometric patterns
