

Micro Sky™

Live up any party with the ADJ Micro Sky! This portable green laser produces a brilliant “Liquid Sky” type effect that can be projected on a ceiling, wall or above a crowd on a dance floor. The Micro Sky is easy-to-use – just plug it in and run the laser’s built-in 15 programs and 25 patterns in Auto or Sound Active mode. Control programs, patterns and black out with the included RF wireless remote control. The Micro Sky’s compact, lightweight case design makes it ideal for mobile entertainers, bands, night clubs and bars or any party goes! This laser is safe to use and complies with FDA standards (USA only).
