

# SWEEPER BEAM LED™

The ADJ Sweeper Beam LED creates exciting lighting effects with its quick sweeping beams and its 8-Zone LED chasing, pulsing and strobing LEDs. This unique fixture features 8x 3-Watt bright, white CREE LEDs with a narrow 3.5 degrees beam angle, 4 DMX Channel modes and a 4-Channel LED DMX menu.

The Sweeper Beam LED may be controlled via its own built-in programs, a DMX Controller or the easy-to-use UC3 Controller. Best when used in multiples, the Sweeper Beam LED is designed for stages, nightclubs and mobile entertainers.
