

## VIZI BEAM RXONE

Part of ADJ's popular Vizi Series, the Vizi Beam RXONE, is a compact and quick moving head with a potent Osram® Sirius HRI 1R discharge long life lamp (6,000 hrs.) that produces a super sharp 3-degree beam of light that travels up to 100 meters. This 16-bit, nimble mover also includes a frost filter to give the beam a wash effect of 21-degrees making this fixture very useful for a variety of portable and permanent applications.

Under the hood the Vizi Beam RXONE boasts a 16-facet prism to break apart the solid beam into 16 mini beams, 14 color + white and 15 static, fixed GOBOs. The RXONE has 2 DMX modes (15 or 17 channel mode), 3-pin DMX In/Out, Locking power In/Out connections plus a low power consumption of only 199W at max power.

Two Vizi Beam RXONE fit in the ADJ DRC MH road case.

# VIZI BEAM RXONE

## Light Source:

- Lamp: Osram® Sirius HRI 100W 1R discharge, 9,000°K – 6,000 hr. long life
- LUX: 76300 @ 10M, 33900 @ 15M

## Features:

- 3-degree beam angle
- 16-facet Prism with macros
- Frost Filter (21-degree beam angle)
- Independent gobo and color wheels
- Stepper motors with micro stepping

## Control:

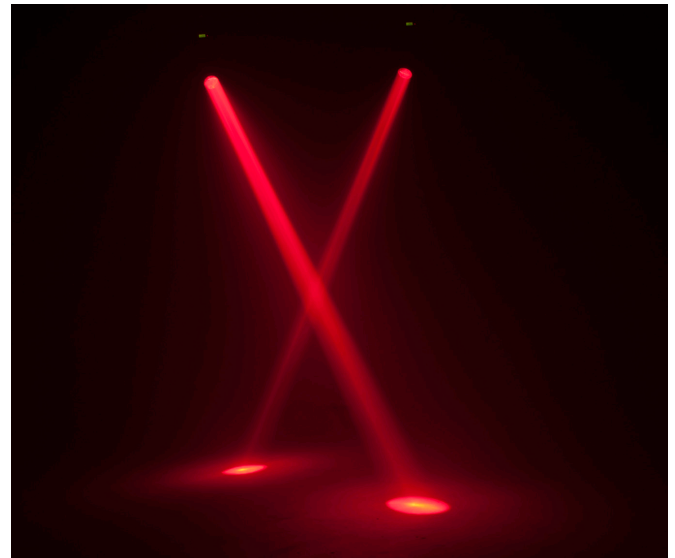

- 2 DMX Channel Modes: 15 or 17 DMX channels
- LED DMX 4-Button menu system
- Shutter: Pulse effect; random strobe slow to fast
- Strobe effect
- UC IR Compatible (Not Included) & Airstream IR APP Compatible
- Electronic Dimming: 0% - 100%
- Strobe Rate: 0.3-12HZ
- With Wired Digital Communication Network

## Colors:

- 14 colors + white and Split Colors

## GOBOs:

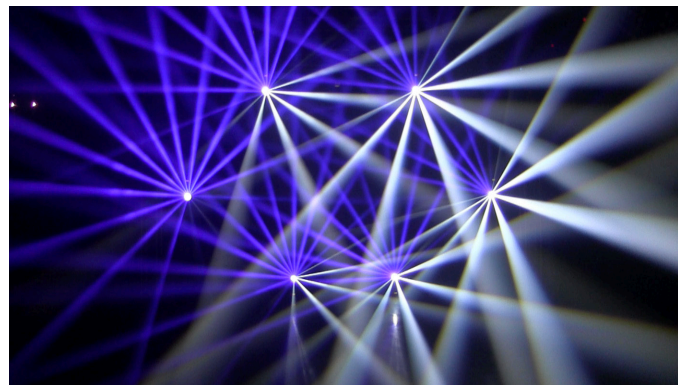

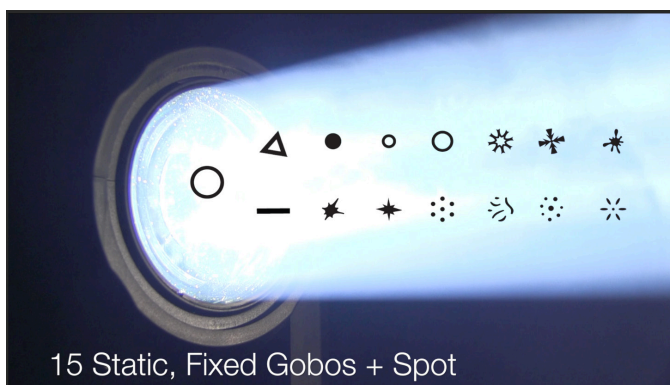

- 15 static, fixed GOBOs + spot
- GOBO Shake effect

Razor Sharp 3-degree Beam

Frost Filter: 21-degree Beam Angle

## Pan/Tilt:

- Pan: 540-degree
- Tilt: 270-degree
- 16-Bit Pan/Tilt Positioning
- Auto X-Y repositioning
- Pan/Tilt Invert
- Built-In Pan/Tilt Macros

## Connections:

- Power: Locking connections In & Out to daisy chain power
- DMX Connections: 3-pin DMX In/Out

## Electrical:

- Power Consumption: 199W
- Multi-voltage Operation: 100-240V, 50Hz/60Hz
- Daisy Chain up to 8 fixtures max (@ 120V); 16 fixtures max (@ 230V)

## Dimensions & Weight:

- Dimensions (LxWxH): 11" x 8.75" x 15.25" / 279 x 225 x 387mm
- Weight: 20 lbs. / 9.2kg.

## What's Included:

- Omega Brackets
- 1.83M locking power cable

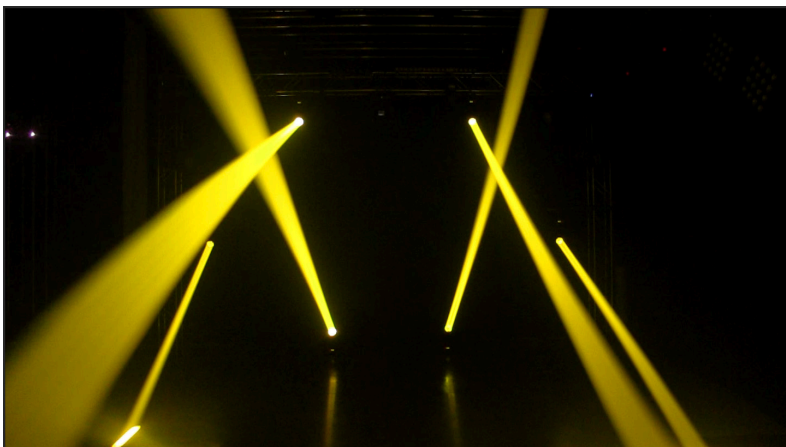

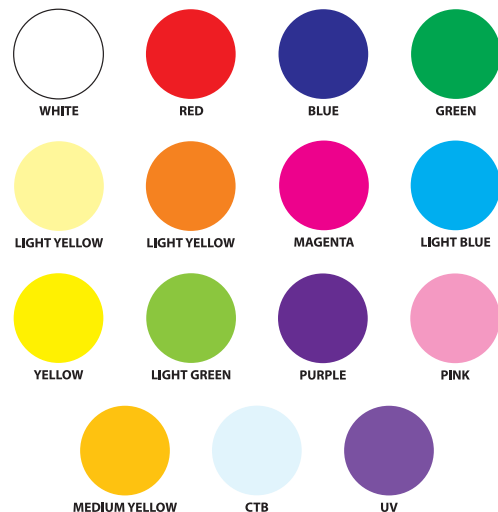

## Approvals:

- cETLus Approved (Control #4000358)
- CE Certified
